food and drink policy

In general, food and drinks are allowed in my class. This is contingent on it not becoming a distraction in class, and as long as students can handle the responsibility. This policy is subject to change at my discretion, and at any time.

how to get a 100%...

Participate, participate, participate! Student Participation is a MAJOR part of this class. You are expected to devote time to this class OUTSIDE of school hours.

This is not just a performance class, there will be critiques, memorization, rehearsals, tests, design projects, and other work that will be given throughout the year.

Each student will be **required** to at least ONE BHS Theatre Production as a test grade.
